

# CHEMICAL PROCESSING

E-list file size = 36,756

Chemical Processing is the only magazine focused exclusively on the chemical manufacturing industry. Subscribers are titled personnel responsible for production, operations, maintenance, design & engineering of equipment, processes and physical plants.

| HTML/Text = \$415/M                          |        | Text only = \$395/M                           |              |           |       |
|--|--------|---|--------------|-----------|-------|
| <b>Minimum order – 5,000</b>                 |        |   |              |           |       |
| Available selects & services                 |        |   |              |           |       |
| SIC/Industry                                 | \$15/M | Suppression                                   | \$150 / flat |           |       |
