

Plant Services Product Focus Package

Plant Services Product Focus Package gives you three opportunities to promote your company's product features, capabilities thru video and technical specifications to over 25,000 industrial maintenance, reliability, operations and management professionals.

Package Includes:

Select your preferred dates for one issue of each newsletter

- Up to 50 words for each newsletter describing your product, video and specifications
- 1 photo for each newsletter (video screen shot recommended), about 150 x 150 pixels at 72 dpi in .jpg format.
- A URL link to your website page or Plant Services Product Archive
- An optional Plant Services supplied registration page featuring links for all three is available and can be set up gathering name, company and email address.
- Full reporting for each newsletter deployment with a full package summary at the end of the campaign

Cost: \$3,300.00
