

Plant Services

2008 Editorial Calendar

	January	February	March	April	May
Ad Closing Dates	December 11	January 10	February 12	March 12	April 11
Cover Story	Counterfeit parts: Can you trust your distributors?	2007 <i>Plant Services</i> Best Practices Awards	Sustainable energy? Let's get real.	EAM/CMMS Comparison	Compressors: The quest for higher efficiencies
EAM/CMMS	EAM/CMMS	EAM/CMMS	EAM/CMMS	EAM/CMMS	EAM/CMMS
Energy	Energy	Energy	Energy	Energy	Energy
Safety	Safety	Safety	Safety	Safety	Safety
Reliability	Reliability	Reliability	Reliability	Reliability	Reliability
Sustainability (Green)		Sustainability		Sustainability	
Services	Services		Services		Services
Predictive Technologies	Self-diagnostics		Temperature		Lube Analysis
Compressor Systems	Compressors	Compressed Air Systems		Compressors	Compressed Air Systems
Automation	Instruments & Controls		Motion Control	Instruments & Controls	
Fluid Handling Systems		Pumps & Seals		Valves & Piping	
Electrical Systems		Motors & Drives	Power Distribution	Motors & Drives	Power Distribution
Power Transmission (bearings, belts, chains, hydraulics, gears, etc.)	Power Transmission		Power Transmission		Power Transmission
Lubrication		Lubrication			Lubrication
Heating & Cooling (heat exchange, HVAC, refrigeration, steam, etc.)			Heating & Cooling		
Facilities	Lighting, Flooring	Roofing	Material Handling	Flooring	Lighting
Events	AHR Expo 1/22-24, New York ARC Forum 2/4-7, Orlando, Fla.	RCM/EAM 2008, 3/18-20, Las Vegas Facilities Expos: Central Valley, 3/12-13, Modesto, Calif. New England, 3/19-20, Boston	Oracle Collaborate 08, 4/13-17, Denver Pump Symposium, 4/21-24, Houston Facilities Expos: Michigan, 4/1-2, Novi, Mich. Southwest, 4/9-10, Phoenix	Lean, Reliable & Lubed 2008 5/20-22, Nashville, Ten. IBM Pulse 2008, 5/18-22, Orlando, Fla. Facilities Expos: Southern California, Anaheim, Calif. South Florida, Fort Lauderdale, Fla. Northwest, Tacoma, Wash.	Honeywell HUG 2008, 6/15-19, Phoenix
Sales Support & Marketing Opportunities		Ad Readership Study Literature Reviews			Ad Readership Study Literature Reviews

Mission: To support and promote excellent industrial facility performance, maintenance, reliability and asset management.

Performance — including Output, Quality
Reliability — including Predictive technologies, Failure analysis
Efficiency — including Energy, Labor
Management — including Engineering, Information, Outsourcing, Personnel, Safety, Security, Training

June	July	August	September	October	November	December
May 11	June 11	July 11	August 10	September 11	October 15	November 12
Top trends in work management	Integrating Condition Monitoring	Knowledge capture nuts and bolts	Safety: Best practices for electrical systems	Survivor USA Plant of the Year	Top 10 tactics to support lean	Software Integration: The rocky road to unified systems
