

New Product Bulletin

The Plant Services New Product Bulletin is your ticket to the latest new product information for the MRO market.

The bi-monthly issue reaches 30,000 dedicated Plant Services readers, all having needs for new product information and technology.

Three programs are available

1. Four-color sponsored product linked to your product page on PlantServices.com's Product Resource Center.
Cost: \$1,000 net per month
2. The benefits of program 1, plus a custom landing page
Cost: \$1,300 net per month
3. Sponsored link; Cost: \$200 net per month
