

NEW PRODUCT RESOURCE CENTER

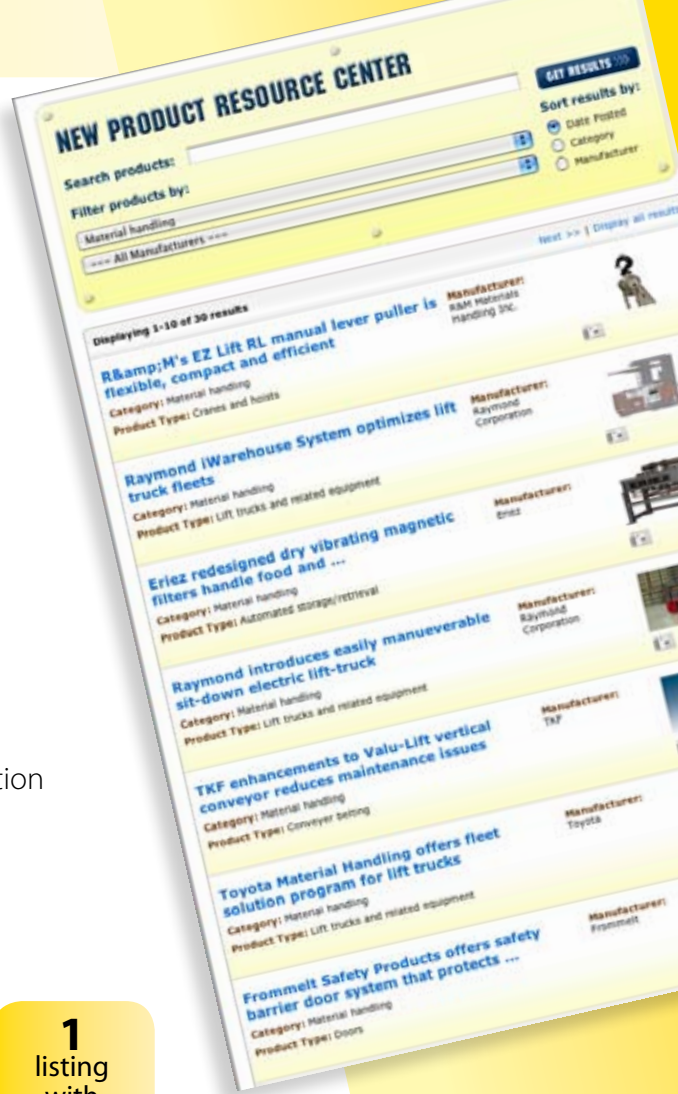

Promote Your Product on PlantServices.com

Our research shows that the number one reason maintenance and reliability professionals use the web is for information about new products and services. New products are key to your company's growth. Make sure your products get the visibility they need by promoting them on PlantServices.com

Easy to use, web based tool for fast immediate results

Post your new product information to PlantServices.com. There's no limit to the amount of new products you may feature. Place your own product copy, photos and link. There's even an option for a large rectangle ad for greater visibility

Pick the option that is best for you and pay instantly using PayPal.
